

GUARDIAN 360° SURVEILLANCE CAMERA

360° Seamless Video

Better with Fortify

- Utilizes Fortify Evidence Management Technology

Solar Powered

- Fully self-powered through battery with solar re-feed for continuous operation.

Capture the **Whole Story in 360!**

The **Guardian 360** is a fully autonomous and self-sustaining surveillance platform designed for temporary or long-term deployments. It wirelessly delivers video over 4G-5G cellular network connection, or via WiFi or WiMax.

Use Guardian 360 on high value assets such as bridges to monitor traffic concerns and homeland security risks. Position it in areas where large numbers of people gather for high-profile events. It's mobile design allows quick deployment to locations where crimes such as thefts, vandalism, and drug related activities are prevalent.

The Guardian 360° is a fully autonomous and self-sustaining surveillance platform designed for permanent locations. It captures 360 video and wirelessly delivers video over 4G-5G cellular network connection, or via WiFi or WiMax.

Use Guardian 360 on high value assets such as bridges to monitor traffic concerns and homeland security risks. Position it in areas where large numbers of people gather for high-profile events. It's mobile design allows quick deployment to locations where crimes such as thefts, vandalism, and drug related activities are prevalent.

Benefits of Guardian 360 Surveillance Camera

- Force Multiplier – More “police” eyes on scene
- Unlimited views from anywhere in the field via internet connected devices
- High Crime area surveillance
- Crime activity deterrent
- Capture criminal activity footage
- Stream video to a remote center
- Portable surveillance in remote areas
- Can be branded with your department name and logo
- Units are engineered, built and maintained through BLI.
- Transportable and deploys in less than 30 minutes – one switch turn-on, connects to the cellular network
- Provides live video feeds to any smart mobile device such as phone, iPad, laptop, etc. that may be used in the field by security personnel.
- Platform agnostic – remote control compatible with standard PC, Android, Apple, etc.
- Video can be fed into any existing security center without need for another layer of software integration...all web based.
- Integrated HD day/night cameras
- Camera options include PTZ, IR, and 360 camera.

Video Format: HD, 720 x 720 at 30 fps or 1080 x 1080, up to 60 fps
Video Record Rate: Up to 16 Mbps VBR
Audio Format: Stereo, 48kHz, 96 kbps AAC

OPTICS/LENS:
Lens Type: 8 Element Glass Ultra Fisheye Lens
Field of View: 240° Front Facing, 360° Shoulder/Helmet/Dash

POWER: 1780mAh Li-Polymer Battery
Recording Time: Up To 1.5 Hours
Stand By Time: Up to 14 Hours
USB Power: Infinite Streaming With Power Applied

ENVIROMENTAL:
Water-Resistant: IP67 (Submersible up to 1M)
Dust Resistant: IP6X
Shock-Resistant: Up to 1.5 M
Operating Temp: -20° to 40° C / -4° to 104° F
Storage Temp: -20° to 60° C / -4° to 140° F

FEATURES:
Keys: One Operation Key (Power ON/OFF, Recording Start/Stop)
LEDs: 3 Color LED (R,G,B)
Microphone: Built-in Dual Omni-Directional Microphones
Sensors: Accelerometer, E-Compass, Non-Assisted GPS, Gyroscope
Storage: Internal 64GB (Upgradeable to max 128GB)
Wi-Fi: 2.4GHz & 5GHz 802.11 b/g/n

Combine Guardian 360° with Fortify Digital Case and Evidence Management

Fortify was built with the modern law enforcement officer in mind, Fortify allows multiple videos and associated files to be easily located and retrieved making digital case and evidence management simple.

- Supports Multiple File Formats/Devices - Single Repository
- Simple Case and Evidence Keyword Search
- Easily Reviewable Evidence by the Officer and Agency
- Complete Chain of Custody Integration
