

K-9 360° CAMERA

360° Seamless Video

Better with Fortify

Utilizes Fortify Evidence Management Technology

12 Hour Battery

Internal battery lasts up to 12 hours in standby, with up to 4 hours of continuous record time

The camera that misses nothing & changes everything!

The **K-9 360** is the first and only K-9 camera on the market providing a full 360° view surrounding the dog at all times.

- The only camera designed for law enforcement and military K-9 use
- Low-profile design allows the dog to enter tight spaces while maintaining a 360° recording of the dog's surroundings
- Connects to a mobile device via Bluetooth or Wi-Fi, enabling you to watch the search in real time

Tell the whole story in 360!

Blue Line Innovations

3917 Volunteer Drive, STE 6-A · Chattanooga, TN 37416 · BLI360.com · (833) 270-5355

The K-9 360 is adaptable and can be mounted securely to a variety of K-9 harnesses. It is designed to provide a complete 360° view of the situation around the K-9.

Benefits of K-9 360 Cameras

- Low profile design suited to mount securely to a variety of K-9 harnesses
- Versatile and mobile, provides a real-time wireless 360° situational awareness system between the dog handler and K-9
- Captures footage of what the dog sees and hears, monitors the dog's and suspect's activity, location and apprehension in 360° video
- The application supports public safety and humanitarian K-9 events such as building and vehicle clearance, search and rescue, border or facilities patrol, counter narcotics, and article search
- Can be remotely monitored via Bluetooth connection to smartphone or tablet for short distances

K-9 360 Camera Key Features

- The world's only 360 camera developed for K-9 use in law enforcement and military applications.
- 12 hours of operation time in standby, with 4 hours of continuous record time
